**THE MAPFRE MSV LIFE
NATIONAL LEAGUE**

STARTING DATES

DIVISION III: 14th JAN 2019

**Closing date
6th JANUARY 2019**

Additional Rules

The Malta Tenpin Bowling Association Rules and regulations shall govern these leagues together with the following additions/exceptions.

- 1) These leagues are open only to current M.T.B.A. members. The score of any bowler who is not a current member or who has not duly completed their Team's Registration Form will be considered null and void, and not even a blind score awarded.
- 2) The league is based on a trios format. If the number of teams is odd, there will be a BYE Team, but teams will not have to bowl against that BYE team. There will be NO position night.
- 3) The official starting time for **Division III is 20:30hrs** and all teams must be prepared to start at this time irrespective of whether lane conditioning is required or not.
- 4) Handicap will be calculated at 80% of 180 scratch. Third division will have a maximum handicap of: Div III 45.
- 5) A Blind score will count as 120 pins with no handicap awarded.
- 6) Teams of 3rd division must pay an Entry Fee of €20.00.
- 7) All teams MUST have a minimum of **four** registered players at all times and may have up to seven registered bowlers at any one time.
- 8) For the purposes of these leagues, registration of a bowler with a team is attained by the respective bowler completing and signing the relevant Registration Form.
- 9) On disqualification/withdrawal of a team, the points earned by that team will not be awarded to their previous opponents against whom they had won the points.
- 10) Teams competing with incomplete line-ups will be required to furnish the league secretary with the name/s of those bowlers who were expected to make an appearance and failed to do so. The team concerned will automatically be fined the lineage per missing bowler.
- 11) Postponed games must be bowled prior to the next league match of scheduled competition for either team. However if a team has at least ONE of its registered bowlers abroad on M.T.B.A. National Duty, then the match/es involved can be rescheduled to another date up to 1 week after the next league match. Handicaps for the rescheduled games will be taken as at on the day that the match is bowled. **If games are not played within the timeframe BOTH teams will get zero pinfall.**
- 12) When bowling unopposed a team should play within 36 pins of their average, and to win the overall total they must play within 108 pins.
- 13) Should a team not have enough players available for a scheduled fixture, the team captain may either: 1) Request a 'make-up' from the other team involved. Or 2) make use of not more than two substitutes. Said substitutes can be bowlers from any other division other than that which the teams concerned form part of. Substitutes must either have an average established over at

least 12 games in the National Leagues or be either a youth or Special Olympics bowler with a valid composite average over at least 15 games. Averages should be:

- From 130 to 150 average with NO handicap awarded OR
- Under 130 average with handicap @ 40

A substitute that plays at least 12 games in the role of substitute in a particular Division and builds an average exceeding the threshold set for each Division, then such person will automatically be ineligible to play as substitute in that particular Division.

If someone plays as a substitute supersedes the average capping as listed above his/her score will be considered as a blind score even if someone notices later during the league until the league for that season is over.

- 14) A postponement must be requested at least twenty-four hours before the scheduled time on an MTBA Postponement Form, accompanied by an Administration Fee of **€10**. Should both team captains agree, postponements will also be accepted after this deadline. The league secretary must grant a postponement when a team cannot appear for reasons beyond its control and will not have the minimum required line-up. If a team asks for a postponement because one (1) of the players is on National Duty or because a player is abroad to bowl for an International Open, then the opposing team **CANNOT** refuse the postponement. However the team captain has to advise the opposing team about the make-up **3 weeks** before the match is supposed to be played to provide ample time to set the make-up. Form has to be filled 3 weeks in advance with both team captains' signature on it. In no case shall a league adopt legislation, which would have the effect of establishing an absolute no postponement rule throughout. Games have to be played before the next scheduled league matches except in the case of National Duty which can be played to 1 week after the next league match (Vide Rule 11 Above).
- 15) **During the final two weeks of the league, all make-ups must be played before the scheduled league match.**
- 16) With a tie on points at the end of the league, total pinfall, including handicap, will decide the placing.
- 17) To win Hi-Average and most Improved Awards, a bowler must have bowled at least 51% of the games in that league. To qualify for any other individual award, a bowler must have bowled a minimum of 34% of the games in that league. Any bowler may win any individual trophy during the first four weeks of a league (i.e. when their handicap is still frozen).
- 18) National Leagues together with the National Leagues' Knock-Out Competition, should the latter take place, terminate with the Presentation Dinner/Presentation of Trophies, and as such, any trophy winner who fails to participate in this event will forfeit his/her award and may also be made subject to disciplinary action, unless that person should have a valid reason for their non-appearance. This validity will be decided on by the M.T.B.A. Board of Directors after receipt of a written explanation, accompanied by an Administrative Fee of €5.00 (non refundable)
- 19) A team must retain at least two of its registered bowlers in order to maintain its status in that particular Division for the following League Season. These two persons must have bowled at least 12 games in the just concluded league.

- 20) The teams promoted to Div 2 will be:
- 2 if there are more than 6 teams , 1 if there are 6 teams or less

The number of trophies awarded will be:

- Top 3 if there are more than 6 teams , Top 2 if there are 6 teams or less

- 21) A team cannot refuse promotion twice in a row.
- 22) Bowlers who have bowled more than 11 games with their team and who form part of a team which is relegated are not obliged to remain bowling with that team, but must bowl with a team participating in the Division to which they were relegated.
- 23) Uniform tops are not a must.
- 24) Division 3 bowlers may smoke outside the bowling centre in between games, but must be on the lane when it's their turn to bowl. Furthermore although e-cigarettes are allowed in the centre, these cannot be puffed in the bowlers' area, which is the area where the seats are.
- 25) There will be no kicking or punching of the ball returns or any other bowling equipment or property. First offence throughout the entire league will result in a verbal warning in front of a witness, 2nd offence throughout the entire league will see the frame considered as void and automatic referral to the disciplinary committee who will impose a fine, excluding damages and impose additional sanctions reflecting the gravity of the case. Fines will be doubled on any subsequent reoccurrence throughout the entire league.
- 26) Should any extraordinary issues arise then the League Secretary is to discuss the issue with all Committee Members, who in turn will decide which is the best action to be taken, even if this decision is not exactly according to the rules. Should this be the case however, all team captains involved will be informed in writing beforehand.
- 27) Lineage will be charged weekly according to the fee as determined by Eden Superbowl including VAT (under current Tax Laws).
- 28) Team names which are deemed unacceptable by the MTBA Board of Directors will not be allowed.
- 29) The application of any foreign substance on any part of the approach that detracts from the possibility of other players having normal conditions is prohibited. This includes, but is not limited to, such substances as talcum powder, pumice and resin on shoes (including proprietary products such as Easy Slide); also soft rubber soles or heels that rub off on the approach are prohibited. Powder should not be taken into the players' area.

The penalty for violation of the rules is:

First offence: verbal warning

Second offence: Direct disqualification from play on the day with all scores from that point forward considered Null and Void.

Valid and complete registration forms (attached) accompanied by the required entry fee must be handed in to the League Secretary concerned or any other MTBA official by the dates specified in this application form. Only MTBA officials are authorised to accept these applications.
