

**MBA – NATIONAL LEAGUE
MAKE UP FORM
UPDATED JULY 2023**

Please read before signing:

Only 1 postponement can be requested by same team in one round, unless a bowler is abroad on either National Duty or is abroad to play an Open Tournament. Only in such cases can there be more than 1 request in one round. The request for a make-up which is not bowling related carries an Administration Fee of 40€. If the make-up is requested for bowling duties, the Administration fee is waived off.

A postponement must be requested at least 48 forty-eight hours before the scheduled time on an MBA Postponement Form. Should both team captains agree, postponements will also be accepted after this deadline. The league secretary will allow a postponement when a team cannot appear for reasons beyond its control and will not have the minimum required line-up. If a team asks for a postponement because one (1) of the players is on National Duty or because a player is abroad to bowl for an International Open, then the opposing team **CANNOT** refuse the postponement. However, the team captain has to advise the opposing team about the make-up **3 weeks** before the match is scheduled to be played to provide ample time to set the make-up. The team captain requesting the make-up should also inform the league secretary via email as soon as the request is made (i.e. 3 weeks in advance). Form has to be filled 2 weeks in advance with both team captains' signature on it. Failure to ask for a make-up before the 3-week period, the opposing team has the right to refuse such make up.

Postponed games must be bowled prior to the next league match of scheduled competition for either team. However, if a team has at least ONE of its registered bowlers abroad on M.B.A. National Duty, then the match/es involved can be rescheduled to another date up to 1 week after the next league match prior to the approval of the league secretary. Handicaps for the rescheduled games will be taken as at on the day that the match is bowled. During the final **week of the league, all make-ups must be played before the last scheduled league match. If games are not played within the timeframe BOTH teams will get zero pinfall.**

This form, (Make-Up) must be presented to and processed by the League Secretary of your Division not less than (48 hours) before either the scheduled league match or the Make-Up match where applicable - whichever is the earliest. Payment must be done via bank transfer before the game is played.
