

**MBA – NATIONAL LEAGUE  
SUBSTITUTE FORM  
UPDATED JULY 2023**

**Please read before signing:**

Should a team not have enough players available for a scheduled fixture, the team captain may make use of not more than **ONE** substitute. Said substitutes can be bowlers from any other division other than that which the teams concerned form part of. Substitutes must have an average established over at least 12 games in the National Leagues and such average cannot exceed that which corresponds to the division the competing teams form part of. An exception is given to Special Olympic bowlers, and junior players, who are not registered to play in a league, in which case their average will be derived from the composite average over at least 12 games of that current year. Averages cannot exceed the following:

**Premier League – not exceeding 180 ave**  
**Division Two League – not exceeding 165 ave**

Also note the following:

**Premier League:** Only **ONE** substitute is allowed per round. The fine for the substitute is 25€ (excluding lineage).

**Division 2:** Only **TWO** substitutes are allowed per round. The first substitute in each round is free of charge, whilst the 2<sup>nd</sup> substitute in each round will carry a fine of 25€. Also, if a substitute is used during the last week of the league, the 25€ fee must be paid irrelevant of how many substitutes were used.

The bowling center and the league secretary must be informed of the use of substitutes at least half an hour before the scheduled league time to ensure correct input of line-ups. This can be communicated via an email to the Eden Superbowl, copying the league secretary.

This form, (Substitute) must be presented to the League Secretary of your Division. Payment must be done via bank transfer before the game is played.
